

Week beginning

22/03/21

STAR moments

We have had such a fantastic week in school! **Please make sure you all come into school every day.**

Well done for everyone's amazing efforts with behaviour and attitudes towards learning. This week's Happy leaves have been awarded to the following pupils:

Our Happy Leaves went to:

1H - Rumaisa
1M - Blendi
1P - Riley
1B - Shanari

Year 1 Newsletter

This week...

Another exciting week at Star. In Geography this week we will be finding out about traditional Russian culture. We will be looking at clothing, music and Russian tales. Perhaps you could do some research at home to find out what you could discover.

Our focus this week for maths is subtraction. Ask the children at home what strategies they could use to work out subtraction equations e.g. I could use a number line, I could use a 10s frame.

Our foundation subjects will be going ahead as usual in the afternoons this week. In art we will continue to explore Kandinsky and the art of using shapes as a form of expression. In science we will be focusing on our senses. Can you name what the 5 senses are?

RSHE: In RSHE we are thinking about our achievements and successes. Have a think about what you would like to achieve this year in school. Do you want to improve your presentation and handwriting? Do you want to learn your 2s, 5s, and 10 times tables?

Don't forget...

- Please return all children's books or paper that they have completed their work on over the last few months by Friday please.
- Reading books will be given out **next Monday** they need to be returned to school **every Friday** to be changed
- P.E is on a Monday all children need to come dressed for PE in joggers and trainers.
- Fit Friday will be carrying on as usual starting this Friday, again children must come to school wearing Fit Friday t-shirts and trainers.
- Bug Club and Mathletics is still mandatory for 5 or 10 minutes daily, on a Friday each class will announce their Bug Club and Mathletics champions.
- Continue to check google classroom as reminders, announcements and homework tasks will still be posted in there as it's a great way for us to keep in contact.

Over to you...Home learning

The teachers will continuously be providing online opportunities for reading, phonics and maths. We are checking who is logging on every week!

Pupils must:

- Log on and use **BUG CLUB** daily
(please also read and share any extra books you have at home)
- Log on and use **MATHLETICS** daily
- Play and complete any additional material/videos sent you via the google classroom. **Phonics session videos** will be sent regularly.
- Extra RWI phonics -
