STAR moments

We have had such a fantastic week in school! **Please make sure you all come into school every day.**

Well done for everyone's amazing efforts with behaviour and attitudes towards learning. This week's Happy leaves have been awarded to the following pupils:.

Our Happy Leaves went to:

1H - Emmanuel
1M - Helen
1P - Kyara
1B - Liyanna

This week...

It is another exciting week at Star. In Geography this week we will be finding out about the new season Spring. We will be looking at flowers, animals and changes to the season. Perhaps you could do some research at home to find out what you could discover.

Our focus this week for maths is subtraction. Ask the children at home what strategies they could use to work out subtraction equations e.g. I could use a number line, I could use a 10s frame.

Our foundation subjects will be going ahead as usual in the afternoons this week. In art we will continue to explore Kandinsky and the art of using shapes as a form of expression and evaluating our art work. In science we will be focusing on Florence Nightingale.

In RE, we will be learning about the celebration Eid. We will learn why muslims celebrate this and will share the experience with our class!

We would like to wish you a happy and safe Easter break. Please stay safe and enjoy the holidays. Please continue to log on to Bug Club and Mathletics so that we keep up with daily learning during the break.

Don't forget...

- Please return all children's books or paper that they have completed their work on over the last few months by Thursday please.
- P.E is on a Monday all children need to come dressed for PE in joggers and trainers
- Bug Club and Mathletics is still mandatory for 5 or 10 minutes daily, at the end of the week each class will announce their Bug Club and Mathletics champions.
- Continue to check google classroom as reminders, announcements and homework tasks will still be posted in there as it's a great way for us to keep in contact.

Over to you...Home learning

The teachers will continuously be providing online opportunities for reading, phonics and maths. We are checking who is logging on every week!

Pupils must:

- Log on and use **BUG CLUB** daily
(please also read and share any extra books you have at home)
- Log on and use **MATHLETICS** daily
- Play and complete any additional material/videos sent you via the google classroom. **Phonics session videos** will be sent regularly.
- Extra RWI phonics -
