

# Week beginning

29/03/2021

# Year 3 Newsletter

## STAR moments

What a fantastic week we've had Year 3! We have been busy with our revision sessions, boosting our knowledge within Maths and English for our assessment week. Your teachers have been blown away with the enthusiasm and positivity you have shown towards your learning. A massive well done to each and every one of you!

In RSHE we have been exploring success stories and learning to support those with disabilities. In computing we have enjoyed bringing our poems to life through role play, using intonation and expression. Can you share your poem with a family member at home?

Our Happy Leaves this week will continue to focus on Achievement and Success!  
Can you remember what achievement and success looks like?

This week's recipients are:

**3P:** Sofia  
**3J:** Muntasir  
**3S:** Rayan  
**3D:** Zara Lais

## This week's online learning:

This week in English we will be finalising our poems that we wrote based on our lockdown experiences. This will be our 'hot write' so be prepared to impress during our class showcases!

As Mathematicians, we will be combining all of knowledge that we learnt this term to create our own maths games that will help us to remember and apply our new knowledge in different situations.

As Scientists, we will be investigating how strong 3 different magnets are and why different magnets have varied strength.

In computing, we will be filming our poem performances to the class using the key performance skills needed.

As Artists we will create a final piece of artwork based on still life and surrealism as inspired by our focus artist Joan Miro.

In RSHE this week we will conclude our Learning on Achievement and Success through a fun activity. We will reflect on what we can do to help ourselves and what others can do to help us feel achievement and success in the future.

As Readers this week we will finish reading *Miro's magic animals*. Can we skim and scan to answer questions and deepen our understanding? What have we learnt about Joan Miro as an artist through reading this text?

In RE this week we will conclude our Learning around Judaism. First we will learn more about the Torah and what happens in a Synagogue. Can we reflect on what we have learnt about Judaism this term. How is it the same or different to our own Faiths?

Spanish lessons will continue this week! What things can you remember from last week?

## Year 3 Expectations

Please could you ensure the following so that our children attend school happy, healthy and organised each week:

- All children are to return to school wearing the appropriate uniform
- No bags are needed in school, except from lunch boxes if applicable.
- Please could we also ask that you return your **Home Reading** book to school each Friday - unless the book is unfinished. We will also be sending home **Reading Journals** for you to complete with your child.

## Don't forget!

P.E is on **Wednesdays** - you need to come to school in your P.E. kit.

As part of your kit, you can either wear your school jumper or P.E. hoodie.

You can purchase our new P.E. hoodies, as well as Fit Friday hoodies and t-shirts, from this website!

<https://www.personalisedjustforyou.org.uk/back-to-school>

Please also remember to bring in a named water bottle which your child will have access to during the day.

## Over to you...Home learning

We would very much appreciate it if you could encourage your children to continue to access **Bug Club**, **Mathletics** and **Times Table Rock Stars** from home on a daily basis.
