

Week beginning

29/03/2021

STAR moments

We had an extremely busy week last week! The children completed their assessments showing great perseverance at times. Well done to all the children in year 4 for all your hard work!

We continued our poetry work in English and we have been so impressed with the quality of poems the children have produced. Our children are so creative!

We Stand Together

In light of the troubles

We have today,

You stand here and listen

To what I have to say.

Today I am sad

Remembering Grandpa

Who sadly passed away.

I'm negative, I'm positive

Although very sad

Staying at home

Makes me feel very bad

Feeling bad makes me feel sorrowful

I hope it is over once and for all.

Alaina 4D

Our happy leaf recipients for achievement and success are:

4D: Alaina

4R: Shakira

4L: Abubacarr

Year 4 Newsletter

This week's learning:

This is our final week before the Easter holidays begin and our final week of the fantastic topic, Express Yourself. This week the children in year 4 will be performing their poems and recording them using the green screen app on the ipads. Hopefully the children will share them with you when they have loaded them to their Google Drive account.

On Monday the children will complete their work in Science where they have been learning all about sound. Ask your child how they can hear sounds, see if they use some of the scientific language we have been learning. We will finish our artwork inspired by Andy Warhol and we will ask the children to take photos and upload them to their Drive for you to see their creations. During R.E. this week the children will be creating some Easter crafts, we are looking forward to making Easter baskets. The teachers are wondering if the children will come in and find their baskets filled, we will have to wait and see! P.E. and music continue on Tuesday and Mrs Marshall has said what an amazing year group this is and mentioned how well the children are performing body percussion.

Our last day is Thursday this week and the children will all finish at 2:00. There is no Rainbow Club next Thursday.

Don't forget!

The children will continue to participate in P.E. and music on Tuesday mornings and all children will be expected to attend school in their P.E. kit which they will wear for the whole day. Fit Friday will also continue and again children are expected in school wearing their Fit Friday t - shirts.

Over to you...Home learning

Please remember to carry on with Mathletics, Times Tables RockStars and Bug Club and to work on spellings that are sent home each week. The children have been bringing reading books home for a few weeks now so please try to read with your children at least 3 times a week.

Have a relaxing break and try to enjoy the spring weather by going outdoors as much as you can.

Keep in touch!
