

Week beginning

29.03.2021

Year 6 Newsletter

STAR moments

We have been very creative in expressing ourselves through dance, music, painting our self-portraits and some awesome poetry!

Now that spring is in the air, we have been venturing out into Star Garden to get growing! As part of our Potato Growing Competition, the Eco reps and their green fingered helpers have been planting potatoes in Star Garden which will harvest in June.

This week's happy leaves go to:

6R: Sihaam - for her increased participation in class discussions and for expressing her ideas with confidence and self-belief. Well done Sihaam!

6E: Anne for expressing herself well in the classroom and working hard to project her voice when speaking and responding in lessons.

6M: Ayana for expressing herself through Art and painting a wonderfully creative self portrait using watercolours! Well done Ayana!

This week's learning...

In English, we will be finalising our work on poetry and have the opportunity to choose a favourite from our poetry collection. We will then be working on how to perform the poetry, whilst carefully considering body language, tone and expression.

In Maths, we will be looking back over our test papers and analysing mistakes made. We will also be solving problems using additive and multiplicative reasoning.

In Science, we will be creating fact files about how plants have adapted to their environment.

In RE, we will explore how different Christians mark Easter as an important festival and will be listening to Handel's Messiah and find out how music can be inspired by Jesus.

In Computing, we will be looking at the importance of asking for help in order to keep us safe on and offline.

In RSHE, we will be looking at how far we have come in achieving our targets and how we can continue with this momentum.

In Spanish, we will use paired conversations to revise what we have learn during this term; numbers, colours, animals and how we feel.

In Art, we will replicate one of David Hockney's most famous paintings: *Splash*.

Let's get growing!

School closes for our Easter break on Thursday 1st April at 2pm. There is no Rainbow Club on that day.

Don't forget!

PE is on Thursdays so you need to come into school dressed in your PE kit with black trainers!
Fit Friday is on Friday so you need to come into school dressed in your Fit Friday kit with black trainers!

Please remind your child not to go to the local shops before school to buy sweets. This is not a healthy way to start a day of learning. Not only that, but wrappers are littering the pavements. We are an eco school and should be responsible citizens disposing of our rubbish correctly.

Over to you...Homework

Look out for some well-being activities that your teachers will be assigning to you on Google Classroom live stream on Thursday 1st April. Make sure you look after yourself on the inside and on the outside.

*Please continue your online learning on TT Rockstars, Mathletics, Oxford Owl and Bug Club.
