

# Weekly Newsletter - 01/04/21

Dear Parents and Carers,

It is almost impossible to believe that this is already the last day of the Spring Term. It has been a challenging term to say the least but I am very proud of the way in which we have responded to all the challenges as a community. **Please continue to be very careful over the Easter Break.** We have all worked so hard over these past few months and we cannot relax things just yet. The last thing that we would want right now is to have schools closed again due to increased transmissions. As the government continues to ease restrictions we have been thinking about how we can slowly ease a few of the covid safe regulations we have in place in school. We will be keeping quite a few of the measures in place - but I have listed the ways in which we hope to ease a few of these after the holidays.

I would like to take this opportunity to thank you for your continued support. The staff and I appreciate your kindness and commitment to the school. **Please stay safe.**

Ms Von

## Lifting of a few restrictions after Easter Break

We are constantly reviewing our Covid risk assessment in view of new government guidelines. In view of this we will be trialing the following new measures:

- Children will once again be able to bring a school book bag into school with them for their reading books. These must be able to fit into their classroom trays. **Please do not send rucksacks into school yet.**
- Children in Year 1 will once again be able to take part in carpet sessions during whole class teaching.
- A few clubs (mainly in Year 6) will be starting after Easter. These will run from 2pm - 3pm Mondays, Tuesdays and Thursdays.
- We will continue to use the current one way system through the main playground or parents are encouraged to leave their children at the main gate.
- We will continue to use the info and year group inboxes to communicate with staff.

## **We know it's been hard, but we want to thank you for...**

Wearing your masks while on site to help keep our staff safe. Helping to reduce transmissions by using the emails systems to communicate with us. Supporting your child during the online learning at home.

**Please complete the parent/carer survey we are sending you via parentmail.**

We appreciate your feedback.

## **Dates for the Diary**

02/04/21 - 16/04/21

School closed for the Easter Break

19/04/21

Start of the Summer Term

03/05/21

School closed for May Day

06/05/21

School closed for Elections
