

Week beginning

26/04/2021

Year 4 Newsletter

STAR moments

Firstly we would like to say a big thank you to all those parents and carers who attended our virtual parents evening. If you missed your slot, your child's teacher will be happy to give you a telephone call when it is convenient. Please email and let us know.

The children have settled well after the Easter holiday and have really enjoyed learning about the Romans in English and History and the human digestive system in Science.

Ask your child what they have learnt and enjoyed this week.

Our happy leaf recipients for support are:

4D: Imeida

4R: Leornis

4L: Jayden

This week's learning:

We will continue with our Global Treasures topic this week and continue lots of new learning. In English, History and Big Reading we will continue to read and learn about Julius Caesar and the Roman Empire. This week in our English lessons the children will be converting a story into their own play script and in history we will learn more of the Roman presence in Britain and looking at maps of the Roman Empire. In our Maths No Problem lessons the children will be continue their second book and we will learning more about decimals. As scientists the children will be building a 3D model of the human digestive system. They will use scientific words to name the parts of the digestive system and understand the order their appear in the body. In R.E. the children will begin to understand what vows are and the meaning behind vows or promises made in a wedding ceremony. Our theme for Laughology this term is support and self confidence, we will be learning how we can gain support from others,

In P.E. the children will start with athletics and will be developing their skills in the art of running consistently and smoothly at different speeds. This will continue alongside music on a Tuesday morning where all children are expected in school in the correct P.E. kit. We have a very busy half term ahead and it is important children attend school everyday .

Don't forget!

The children will continue to participate in P.E. and music on Tuesday mornings and all children will be expected to attend school in their P.E. kit which they will wear for the whole day. Fit Friday will also continue and again children are expected in school wearing their Fit Friday t - shirts.

Over to you...Home learning

Please remember to carry on with Mathletics, Times Tables RockStars and Bug Club and to work on spellings that are sent home each week. We have now decided to allow the children to bring a book bag to school everyday as this fits nicely in their tray. The children will bring home a reading book everyday for you to read together and they should bring that same book to school every day so that they can read with their teacher or T.A.

Keep in touch!
