## This week's learning...

As mathematicians, we will continue to familiarise ourselves with decimal numbers. Children will have the opportunity to journal their learning journey and apply the skills that they have learnt to a different concept.

In Big Reading, we will continue to read 'The Viking Boy' and follow the journey of Gunner and the Vikings.

As writers, we will continue focusing on playscripts. Year 5 will have the opportunity to begin writing a playscript based upon Shakespeare's Antony and Cleopatra story and will be able to incorporate all the features of playscripts in their writing.

In R.E. we be looking at how different religions worship God and why some people do not believe in God.

As scientists, we will exploring the life cycle of a butterfly and how it compares to a mammal.

In RHSE, we will be discussing the different types of support networks available to us and the impact support can have on our life.
