

Weekly Newsletter - 30/04/21

Our new catering company is called Olive Dining! So far the feedback from children is that the food is tastier and the portions larger! Encourage your child to taste the new food rather than bring a packed lunch. Please ask your child about their dining experience with table cloths, ceramic plates and decorative plants!

Dear Parents,
This week our community has been devastated by the murder of a 14 year old boy right here in Canning Town. I know that this has caused tremendous distress and concern for everyone. Our deepest condolences go out to the family and friends of Faras Maatou. It is unthinkable that this has happened right on our doorstep. We have spoken to children this week in age appropriate ways and older children have had lessons relating to knife crime and how this affects them. We would also urge parents to sit down with their children to talk things through with them. If you have any further concerns, please get in touch with us.

Next week is an unusually short week for the children as we have a long Bank Holiday Weekend. Please also be reminded that school is closed to pupils on **Thursday, 6th May 2021**, as we are a polling station for the local elections. Please be extra vigilant around Star Park and as ever, stay as safe as possible.

Best wishes
Ms Von
