# Reception Newsletter

## This weeks learning...

**REMEMBER** we have no school on Monday or Thursday.

We have another exciting week ahead of us. We will be looking at the Queen and her role as a Grandmother and making comparisons. Please speak to your child about the older people in their families.

It's **Maths Day** on Wednesday! We will be exploring quantities through cooking creating tally charts and playing number games in the garden!

The happy leaves went to:

**RB:** Jennifer for independently writing a sentence because she believed in herself.

**RT:** Ahyar's confidence is growing in his writing and raising his hand to answer questions.

**RC:** Sofia for building her confidence in school and speaking more in English during her play.

**RP:** Angel for demonstrating confidence in sharing her thoughts and opinions during carpet sessions.

## STAR moments

Look at what we were up to last week:

Reception started working in the Fire Pit and made their own toast!

Maya explores music in the spring sunshine.

We read "The Queen's Hat" in Reception. Boris retold the story.

## Live Lesson Attendance

RB - 96.4%    RP - 98.1%

RC - 91%    RT - 89.5%

Your child needs to attend ALL live lessons to get 100% attendance.

## WELL DONE RC!

## Don't forget!

This week we are thinking about members of our family who are older than us. Talk to your children about who they are? Where do they live? Do they have a job?

At home can you draw a picture of your family and label it using your phonics. Or can you bring in a photo of your grandparents or email to [reception1@starnewham.sch.uk](mailto:reception1@starnewham.sch.uk)

## Over to you...Home learning

On Wednesday it's **Maths Day**! Please practise using number and exploring shapes around your home.
