Year 3 Newsletter

STAR moments

Well done on another fantastic week Year 3 especially to all of those children reaching 100% attendance each week, your teachers are incredibly proud of you and are noticing each of your daily achievements!

Year 3 are very excited for their DT week this week which will give us the opportunity to be creative and learn about coracle boats. Can you research who used these types of boats?

Important dates:

Thursday 6th May is a polling day and so School will be closed. Children will be provided with home learning resources for that day.

Our Happy Leaves for this term are focusing on Support, while our RIGHTS Respective Focus is Trust!

Can you think about how you can be supportive? How can you build and develop trust?

This week's recipients are:

3P: Daniel
3J: Skye
3S: Sekeen
3D: Phillip

This week's online learning:

This week in English we will begin to unpick the features of a play script. We will start by discussing the features needed to create our own scripts. We will then have the opportunity to explore a range of scripts and see how we can follow them through the use of role play.

As Mathematicians, we will be developing our understanding of time and learning how to read and compare digital and analogue clocks. Can you remember the difference between AM and PM?

In DT this week we will be designing, building and testing coracle boats from the Iron Ages using a range of different materials.
