

Dear Parents,

We have had a lovely week here at Star. I am really pleased to report that the children are really well settled back into school routines and we are now actively working on closing any gaps that may have developed over lockdown.

This week saw all KS1 and 2 children returning to the dinner hall and having a bit more freedom to move around the playground and mix with children in other phases. This has gone very smoothly and children are loving the new school dinner choices.

Don't forget to bring a bag if you are collecting some breakfast supplies in the main playground after school this evening. Yesterday many of our children celebrated Eid with their families. We hope that you all had a lovely day celebrating.

As of Monday the government are able to lift even more restrictions and more things will be opening up. In accordance we are constantly reviewing our policy and included in this newsletter are further steps we are taking from next week. Have a lovely weekend.

Best wishes
Ms Von

New Arrangements from Next Week!

- Year 1's will be starting **streamed** phonics sessions.
- Some clubs will become available to Year 5 pupils.
- Children can continue to bring book bags with their reading books in to school.
- Parents can start using the main office after 8am.
- Staff will be able to move more freely with their phase group, with certain social distancing measures still in place!

Now Press Play

This week children in Year 5 have had the amazing opportunity to take part in a Now Press Play Experience. The immersive and engaging experience transported the children back to the Viking era where they found themselves in the centre of a battle between the Anglo Saxons and the Vikings! The children then used this experience to write their own news article reporting the incident as news reporters!
