

# Week beginning

17/05/21

# Reception Newsletter

## This weeks learning...

We have an exciting week ahead of us as we think about the different materials we can use to build a castle. We will explore all the different ways to join materials and think about the 3D shapes that we are using. This week we are going to use our subtraction skills to help retell number stories and count backwards from 20 to 0!

The happy leaves went to:

**RB:** Zohan for showing confidence in sharing his thoughts, ideas and opinions with the class!

**RT:** Avaneesh for writing his own cowboy story and confidently acting it out to the class.

**RC:** David for having the confidence to play happily with other children.

**RP:** Gracie-May for showing confidence in asking adults for help.

## STAR moments

Look at what we were up to last week:

Sarlene is busy designing her aeroplane and uses her phonics to label it. She then built it in the woodwork area.

Hamzah checks that all the animals are healthy.

We've been practising using a bat and ball in different ways during Fit Friday.

We're using the nets to fish out different objects from the water.

## School Attendance

RB - 80%      RP - 77%  
RC - 83%      RT - 71%  
Your child needs to attend ALL live lessons to get 100% attendance.

## WELL DONE RC!

## Don't forget!

If your child has borrowed some school clothing please return it washed. Thank you.

Join Miss Borley and Mrs Bagheri on **Tuesday 18th at 8:30am** to find out about your child's transition to Year 1.

## Over to you...Home learning

Try to read a little every day. You can read books from home or log into **Bug Club** for books allocated to your child.

<https://www.activelearnprimary.co.uk/login?scode=rfxy/sc=0>

Keep improving your child's maths at home by logging onto **Mathletics** for activities too. <https://loginmathletics.com/>
