

Week beginning

24/05/21

Nursery Newsletter

Star Primary School

This week's learning...

This week Nursery will consolidate all the fascinating learning that has been happening in our setting. We will use a variety of objects to vote for our favourite dinosaur book and compare the results. This will give us the opportunity to practise the right of expressing our interests and opinions.

We will retell the stories and describe our favourite characters. We will also create our own dinosaur story and props to support our imagination.

Over to you... Home learning

- Record your reading every day in your reading record.
- Practise your name writing every day.
- Create a cosy nest for a dinosaur egg to keep warm.
- Use your whole body and move around like your favourite dinosaurs.
