Reception Newsletter

This weeks learning...

We have an exciting week ahead of us as we will continue to look at castles and compare them with castles around the world.

We will be looking at similarities and differences between castles and use our phonics knowledge to label a castle. We will also continue to test which material is best to use to make the strongest castle!

The happy leaves went to:

RB: Queendelin for showing determination in improving her writing.

RT: Tanaya for being able to self-regulate.

RC: Monika for being a fantastic friend and looking out for others.

RP: Abdul for confidently taking part in discussions and sharing his thoughts with his peers.

STAR moments

Look at what we were up to last week:

We explored with different ways of moving using material. "It can go up like this" - Ilhan

Hamza makes music outside using music wall.

"It's going to the garage"- Samuel

Raigardas explores with painting tools and makes the tracks independently.
