

Week beginning

07/06/21

Year 2 Newsletter

Star Moments

All the children had an amazing term of learning. The Year 2 team are super proud of each and every child for their hard work and great effort in the previous term.

This week our happy leaves go to:

2B: Keyon, you have shown such confidence when doing your Big Writing! I was super impressed with how you independently attempted to use all of our key vocabulary. We are super proud of you, keep up the hard work and remember to believe yourself.

2H: This week's happy leaf goes to Blake. Over this term his self confidence is growing all the time. He will now have a go at things that he was unsure of at the beginning and he now has the confidence to ask for help when he needs it. Well done Blake.

2S: Paulius! Your confidence has grown since the start of the year and that was evident in the last half term. I am very proud that you have started to contribute more to class discussions! It is great to hear your fantastic ideas!

2R: Brilliant week Iqfa, you have shown a confident behaviour towards your learning. Well done for trusting your abilities in reading and retrieving information from the text. Keep up the hard work! Congratulations to the children who got the happy leaves this week!

IMPORTANT NOTICE - BOOK BAGS

Please make sure that your child is reading every night and that they bring their book and reading record into school every day. Thank you.

Our learning..

This week, we will start our new topic Healthy Hearts.

In English we will be reading 'What's going on in my head' and writing explanation texts.

As mathematicians we will be investigating volume, we will be using the correct mathematical language to measure the volume of liquids.

In RE we will be finding out why stories are special and which stories are special to different people. It would be lovely if the children could bring in a story which is special to them.

In Science we will be investigating what makes us healthy.

In Geography we will be learning all about maps and our local area.

In R.S.H.E we will be naming parts of our body using the correct terms.

P.E and Music will be scheduled for Tuesday afternoon each week as normal so remember to come dressed in your PE kit.

Please continue to encourage your child to complete their tasks on our online learning platforms including Mathletics, Bug Club and Times Table Rockstars.

Don't forget!

P.E is on Tuesdays - please wear your PE kit to school. Fit Friday is every Friday. Spellings are tested on Fridays.

Star's lockdown poetry anthology is coming together now but we would love our Year 2 children to create pictures representing their lockdown experience to illustrate the book. Just bring them to your class teacher.

Home learning

Please remember to read every day with your child this should be kept record of in their Reading Record Books. Children will be sent home with books and will be asked to keep them in their book bags which they can now bring to school daily.

At this point of the year children, you need to know your 2,5 and 10 times tables by heart. So, please log in to Mathletics and TTRS to help you secure a Bronze Badge before the end of this academic year!

Our fun Online Spelling platform can also be used to build on our spelling strategies. <https://www.oxfordowl.co.uk/> Read all your books at home? No problem! Don't forget about the E books and E Audio books! Keep writing your super book reviews. We can't wait to read them!
