

# Week beginning

## 14.06.2021

# Year 6 Newsletter

## STAR moments

### Stubbers

A fantastic day at Stubbers where we took part in team games and challenges, bushcraft and fire making, pioneering and the incredibly popular canoeing! We now know how to paddle forwards and backwards, enabling us to capsize the canoes. Some of us got very wet!

This week's happy leaves go to:

**6E: Alex** for his fantastic participation at Stubbers. Alex impressed us with his bushcraft and fire-building skills, as well as his canoeing! Well done Alex!

**6M: Ibrahim** for being determined and resilient by taking part in as many activities as he could at Stubbers. He didn't let anything stop him having lots of fun! Well done Ibrahim!

**6R: Gabriel** for being a really enthusiastic participant at Stubbers. He embraced all of the challenges and was a really good team player. Well done Gabriel!

## This week's learning...

In English, we will be learning about the circulatory system and will be researching and collecting facts. We will then use these at a later stage to write our own information text about the heart.

In Maths, we will continue to work on concepts that we need to revise and consolidate.

In Science, we will be identifying the main parts of the human circulatory system and looking at the main parts and function of the heart, blood vessels and blood.

In Spanish, we will learn the names of different types of fruit and use our knowledge about numbers to say how many pieces of fruit there are. *Hay tres manzanas.*

In RSHE, we will be making a personal plan to volunteer in the community - thinking about how we will keep ourselves safe while doing this.

In our transition lessons, we will be looking at what is exciting and different about secondary schools.

### Measuring heart and pulse rates

## Don't forget!

PE is on Thursdays so you need to come into school dressed in your P.E. kit with black trainers!  
Fit Friday is on Friday so you need to come into school dressed in your Fit Friday kit with black trainers!

### Diverse Voices

This week, we will be taking part in workshops with a theatre group called Diverse Voices who use performing arts to address important issues faced by young people today.
