STAR moments

Last week we had a jam packed week of fun. We did clay modelling, cooking, and had some extra time outdoors to enjoy the wonderful sunshine. Fingers crossed it comes out again this week for our Outdoor Maths Week!

We all loved making rainbow omelette cakes, ask your children if they remember how to make them and you could have a go at home.

Our Happy Leaves go to...

This week...

This week is Outdoor Maths Week! The whole school is getting involved with this great way to inspire children to be great mathematicians. We are going to be going outside and having shape hunts, creating nature pictograms and a maths obstacle course! Not forgetting finishing the week with the wonderful celebration of Rockstars Day! Don't forget your best rockstar costume on Thursday as we battle out and see who in year 1 is the best at number bonds to 10!

In D.T we will be focusing on our healthy hearts topic and designing yummy fruit skewers. In Geography we will be continuing to look at aerial view and trying to label the school. And in science we will be exploring our senses even further. We will be looking at our sense of touch with feely boxes.

In RSHE our focus will be on keeping safe online, talk to your children at home about online safety, check that their games are appropriate and of suitable age and try to limit screen time.

Don't forget...

- **Rockstars dress up day Thursday 24th June!**
- Please return all children's reading books and reading record books once they have completed reading them. Reading books need to come into school every day.
- P.E is on a Monday all children need to come dressed for PE in joggers and trainers.
- Fit Friday will be carrying on as usual starting this Friday, again children must come to school wearing Fit Friday t-shirts and trainers.
- Bug Club and Mathletics is still mandatory for 5 or 10 minutes daily, on a Friday each class will announce their Bug Club and Mathletics champions. Please encourage your child to read as it builds their confidence and vocabulary.
- Continue to check google classroom as reminders, announcements and homework tasks will still be posted there.

Over to you...Home learning

The teachers will continuously be providing online opportunities for reading, phonics and maths. We are checking who is logging on every week!

Pupils must:

- Log on and use **BUG CLUB** daily
(please also read and share any extra books you have at home)
- Log on and use **MATHLETICS** daily
- Play and complete any additional material/videos sent you via the google classroom. **Phonics session videos** will be sent regularly.
- Extra RWI phonics -
