# Reception Newsletter

## This weeks learning...

This week the Reception children will keep thinking about our Healthy Hearts and will be making a healthy snack. We will be looking at snacks that make our bodies strong and healthy. Our caterpillars have now turned into a chrysalis and we are still waiting for them to turn into beautiful butterflies. In maths we're going to be focusing on counting in two's.

The happy leaves went to:  
**RB:** Anisa has shown confidence in making new relationships.

**RT:** Ismail for having a great start in Reception!

**RC:** Sofia for having grown in confidence, sharing her feelings with adults and communicating confidently with her friends.

**RP:** Niniola for supporting other children in making good choices.

## STAR moments

Look at what we were up to last week:

It's a snake

We have been learning how to give instructions to the Code-a-pillar. We have to use the commands 'forward', 'right turn' and 'left turn' to make sure the caterpillar gets all the way round.

Hamza loved retelling the hungry caterpillar story!

We made a volcano

## School Attendance

RB - 81%    RP - 86%  
RC - 85%    RT - 81%  
Your child needs to attend ALL sessions to get 100% attendance.

## WELL DONE RP!

## Don't forget!

If your child has borrowed some school clothing please return it back to us once it has been washed. Thank you! Remember to apply sunscreen before school and send in a sun hat. Don't forget to write your child's name on it!

## Over to you...Home learning

Try to read a little every day. You can read books from home or log into **Bug Club** for books allocated to your child.

<https://www.activelearnprimary.co.uk/login?scode=rfxy/sc=0>

Keep improving your child's maths at home by logging onto **Mathletics** for activities too. <https://loginmathletics.com/>
