

Week beginning

5/07/21

# Year 1 Newsletter

## STAR moments

We hope you have had a wonderful bank holiday!

**We want to see 100% attendance from all classes this week! We can do this!**

Well done for everyone's amazing efforts with behaviour and attitudes towards learning.

**I wonder who will be our Happy leaf winners for next week?**

**Ask your child what they think they could do to try to receive one!**

## This week...

What an exciting week this has been. Come on England!

There will be NO PE on Monday. TUESDAY is our sports day!

**Please make sure you come in wearing your sports day kit!**

In Maths we have been looking at 2 digit numbers and partitioning them. Ask your child at home to create a part part whole for a 2 digit number.

Our foundation subjects will be going ahead as usual in the afternoons this week. In Science this week will be thinking about how our nose helps us to smell. We will be testing which smells to see which ones we love and hate. We will be analysing what we find out. In R.E. we are continuing our topic of Hinduism and finding out what Puja is. In computing we are creating algorithms to follow patterns. Finally in Geography we will be doing a hunt for words around school by following a map.

This term our whole school focus will be on the word 'support'. How can we develop positive relationships by showing support? Talk to your child at home about support. How can it be shown and how do we receive it? What an exciting week we have ahead of us!

## Don't forget...

- Please return all children's reading books and reading record books by this Friday.
- Fit Friday will be carrying on as usual starting this Friday, again children must come to school wearing Fit Friday t-shirts and trainers.
- Bug Club and Mathletics is still mandatory for 5 or 10 minutes daily, on a Friday each class will announce their Bug Club and Mathletics champions. Please encourage your child to read as it builds their confidence and vocabulary.
- Continue to check google classroom as reminders, announcements and homework tasks will still be posted there.

## Over to you...Home learning

The teachers will continuously be providing online opportunities for reading, phonics and maths. We are checking who is logging on every week!

Pupils must:

- Log on and use **BUG CLUB** daily  
*(please also read and share any extra books you have at home)*
- Log on and use **MATHLETICS** daily
- Play and complete any additional material/videos sent you via the google classroom. **Phonics session videos** will be sent regularly.
- Extra RWI phonics -
