Year 6 Newsletter

STAR moments

We would like to thank all the children for their positive and flexible attitude last week. They should be incredibly proud of their resilience during challenging times.

This week's happy leaves go to:

6R: Kais for being a very motivated online learner whose interesting ideas are an inspiration for the rest of the class. Well done!

6E: Nora for her positive approach and resilience shown when working from home. She is an inspiring role model for other children.

6M: Symeon for adapting really well to the online learning and making a huge effort in the sessions! It's great to see your smiling face!

This week's learning...

Our focus this week is to really start to polish our performances for the Awards Ceremony. We will be practising our singing and starting to really bring the performance to life using our well-honed oracy and drama skills!

In Big Reading we will continue to read our class novel "Bubble Boy" and start to identify the key themes which run through the text. We will further develop our inference skills and step into the shoes of the main characters. This will enable us to understand their behaviours and motivations.

In Science the children will be creating a poster to show the importance of a healthy lifestyle, carefully considering the role of diet and exercise for wellbeing. The children have a strong understanding of how to keep healthy and ensure that their circulatory system is working effectively.

Key dates for upcoming events:

Awards Assembly and Pizza Party Thursday 15th July **outdoors - pupils and staff only**

Year Six sports morning Friday 16th July **outdoors - pupils and staff only**

School closes at 12pm for all pupils on Friday 16th July

Don't forget!

Unfortunately, we cannot invite parents or siblings to the Year Six Awards Assembly due to Covid restrictions in place. The event will be recorded and shared with you all.

Clothing for Awards Assembly

Children should bring to school their formal clothing for the Awards Ceremony by Monday 12th July. Children must then be punctual to school on Thursday 15th July so that they can get changed into their formal attire. Children should come to school wearing their uniform.

Over to you...Homework
