

Week beginning

28.06.2021

Year 5 Newsletter

This week's learning...

This week PE will be on **Wednesday**, please ensure your child comes into school wearing the correct PE kit.

As mathematicians, this week pupils will be exploring how to find the area of a shape. The children will have the opportunity to use concrete resources to support them in understanding the foundations of the topic.

As readers, the children will continue following the story of Rory Rooney and learn about how he can help mankind beat an unknown virus!

As writers, the children will have the wonderful opportunity of meeting a Podcast author. The author of the 'Your Floating Bed', Kerry Keenan Lynch, will be visiting Year 5 to discuss with them how she began writing meditation stories. The children will then have the opportunity to write their own meditation story with her guidance.

In computing, children will have the opportunity to build and code their very own Lego Robots. They children will input a sequence of algorithms in order to provide the robot with specific instructions to carry out a task.

In RSHE, we will be discussing how the male and female body changes during puberty and the effect it has on us emotionally and physically.

As geographers, the children will be recapping and delving deeper into how we read maps and where the continents, countries and cities are on our planet.

Don't forget!

PE is on **Wednesday** so you need to come into school dressed in your PE kit with black trainers!

Fit Friday is on Friday so you need to come into school dressed in your Fit Friday kit with black trainers!

Diverse Voices

Last week the children had the opportunity to express themselves through dance! This week will be the final workshop and we end on a high showcasing our drama skills.

Over to you...Home learning

Don't forget to log on to Mathletics and complete the work assigned to you each day!

Continue to improve your reading skills by logging onto Bug Club each day. Remember to share a chapter from your favourite book with someone at home too.

Strive to achieve your bronze, silver or gold awards on Times Tables Rockstars too.

As well as this, we have a new way for you to access your spellings at home!

Go to <https://www.oxfordowl.co.uk/> and 'class login'.

You can log on using these details:

User name: star year 5

Password: spelling
