## STAR moments

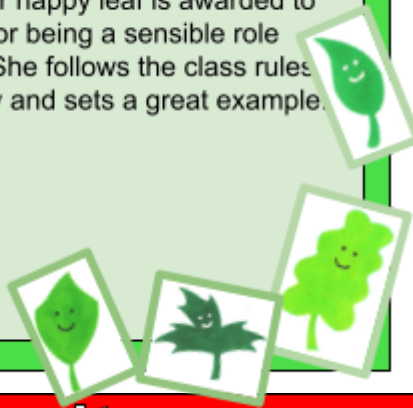

It has been a pleasure meeting our new classes this week and getting to know them. We are looking forward to the year ahead!

Our Happy Leaves this week are:

In 3P Alex is being awarded our first happy leaf for always supporting his partner and respecting our differences.

In 3K, the first happy leaf will be awarded to Iqfa for demonstrating excellent manners to the adults and her peers.

In 3T our happy leaf is awarded to Edona for being a sensible role model. She follows the class rules perfectly and sets a great example.

## This weeks learning..

*This half term our topic is going to be focused on Human Rights.*

In Guided Reading we will be starting our class book "The Proudest Blue". A lovely story designed to show children how to be self confident in who they are.

In Science we will be learning all about plants! This week we will focus on learning about the different parts of a plant and learn the functions of each part.

In History we will be focusing on a very important figure in Black History. For Year 3 our figure is Jesse Owens, a runner who defied the odds at the 1936 Olympics. This week we will be creating a timeline to reflect on his life.

In Maths we will be looking at Numbers to 1,000. We will be looking at different number patterns and recognising the different place values that make up numbers.

In English, we will focus on character descriptions. We will be using adventurous vocabulary to describe different fictional characters.

In RSHE we will be learning all about positive relationships and how we can make sure our relationships are positive and healthy. To start off we will be reflecting on the positive relationships we already have in our lives.

In Computing we will be learning how to stay safe online and to do this we will be looking at all the types of technology we use daily and how we can use them responsibly.

# Don't forget!
