

Dear Parents,

I want to start this newsletter by saying how very proud I am of all of our Year 2 children. They have come into school independently and I am amazed how mature and sensible they have been. Well done Year 2!

However, things are still far from “normal” and **I urge all parents to please keep following the current covid guidelines.** Regular hand washing, wearing face masks in public and keeping some social distance wherever you can is still the best way to help keep schools open.

Thank you to all the parents who attended the PIM meetings. If you were unable to attend, the slides have been sent out via Parentmail and will also be available to view on the school’s website from next week.

Have a lovely weekend. Make the most of the lovely weather before winter truly sets in.

Best wishes
Ms Von

Rainbow Club Update:

Rainbow Club has now been extended to year 1.

I would like to remind parents that this is a specific targeted intervention for pupils who we have identified would benefit from some extra support.

This provision does not operate on a Friday but the Fit 4 Sport Club operates from 2pm.

Reception rainbow club will be starting next week.

The club is reviewed each half term to make sure we target all children in closing any gaps in their learning.

- Children need to have their book bags everyday to bring their reading books between school and home.
