Year 3 Newsletter

STAR moments

Our Happy Leaves this week are:

In 3P Delany has shown a great willingness to be involved in our class discussions and helping others to become organised for their learning

In 3K, the the happy leaf will be awarded to Dijon for demonstrating the character strength and perseverance. No matter how difficult a task may be, Dijon always tries his best in order to accomplish the task.

In 3T our happy leaf is awarded to Dragos. Dragos always listens to his classmates and respects their right to put forth their ideas. Well done!

This weeks learning..

This half term our topic is going to be focused on Human Rights.

In Guided Reading we will be continuing to read our story The Proudest Blue. What can you tell your family about the story so far?

Working as Scientists this week we are learning all about what plants need to survive. We will be recapping this knowledge and then focusing on some specific scientific vocabulary.

In History we have compiled a timeline of Jesse Owens' amazing life story. We are now reflecting on his journey and how he may have felt during some of his biggest accomplishments and his most difficult challenges.

In Maths we will be adding to our knowledge of place value by solving real life mathematical problems and learning our 4 and 8 times table.

In English, the children will be describing a setting. In class, we will look at making our writing more exciting by including adventurous vocabulary, a range of sentence starters as well as using conjunctions to change simple sentences into more complex sentences.

In RSHE we will be learning all about positive relationships and how we can make sure our relationships are positive and healthy. To start off we will be reflecting on the positive relationships we already have in our lives.

In Computing we have designed our very own SMART posters. We will use these posters to help remind us how to stay safe on the internet. Some of the best ones are going to be put around our class!

Don't forget!

P.E is on Wednesday so you need to come into school dressed in your P.E. kit with black trainers!

Fit Friday is on Friday so you need to come into school dressed in your Fit Friday kit with black trainers!

Over to you...Home learning

Don't forget to log on to Mathletics and complete the work assigned to you each day!

Continue to improve your reading skills by logging onto Bug Club every day. Remember to share a chapter from your favourite book with someone at home too.

Strive to achieve your bronze, silver or gold awards on Times Tables Rockstars too.

As well as this, we have a new way for you to access your spellings at home!

Go to <https://www.oxfordowl.co.uk/> and 'class login'.

You can log on using these details:

User name: star year 3

Password: spelling
