Reception Newsletter

This week's learning...

This week we will continue to explore this term's topic - Human Rights. This will be reflected in our story of the week 'Super Duper You.' We will celebrate each child and recognise what makes them unique and special.

We will also continue our unit on how to stay safe on the internet and the importance of not sharing personal details.

During our maths sessions we will be looking into different patterns around our environment and also using different materials to create our own.

For Fit Friday this week, we will be practising our running and coordination skills through a range of outdoor games and activities.

STAR moments

What have we been learning last week?

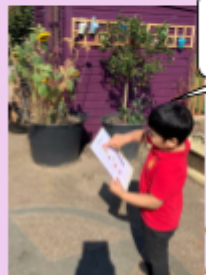

Look!

It says only school people are allowed, no strangers!

I'm making a beautiful picture for mummy and daddy.

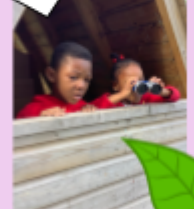

We are looking for pumpkins!

We are making a house and the wolf goes huff and puff!

Can you see the wolf?

Well done for everyone's amazing efforts with behaviour and attitudes towards learning. This week, our happy leaves go out to:

RA: Yusra - Well done Yusra for becoming more confident in having conversations with her teachers and peers whilst building positive relationships!

RB: Amber - For being a lovely friend to a new child who she looked after and showed around the Reception environment.

RS: Omari - Well done for coming in with a positive attitude every morning and always trying your best at writing your name and following Reception's routines.
