

Weekly Newsletter - 15/10/21

Dear Parents,

The week has certainly flown by here at school. I was very proud to appoint the prefects in assembly this week. They are now working very hard to carry out their duties around the school.

I do need to seriously address one issue with parents and we need to work closely together to resolve this issue immediately. Children will copy and role play games from YouTube, online gaming and TV programmes. However, we are having to deal with an increasing amount of incidents in the playground based on Netflix's Squid Game. This programme is not suitable for primary aged children to watch, even if they are doing so with their parents. As a school we will follow up on every incident, but it is an impossible task to monitor what they have access to at home. This is your responsibility and I'm urging parents yet again but make sure that their children does not access inappropriate content.

I am counting on your support.

Best wishes

Ms Von
