Reception Newsletter

This week's learning...

This week we will start to celebrate Black History Month, specifically looking at the life of Mary Seacole. We will focus on her achievements and how she helped the people in her community.

During our maths sessions we will be practising our counting skills whilst handling concrete objects. We will be doing this through a variety of songs and activities.

Children have enjoyed starting to learn phonics and their teachers are super proud of them! This week our new sounds are: g, o, c, k and v. Please see the following video if you want to help your children using 'pure sounds'.
