

# Week beginning

15/11/21

# Year 4 Newsletter

## STAR moments

What a busy week we have had! The children have been working very hard this week in all areas of their learning. We have been very impressed with the standard of their journalistic writing in particular! The children have used some amazing vocabulary and punctuation this week. We thought that this was an amazing piece of writing from Jumana in 4H

Staff in the school are confused as to why she stole the happy tree but Ms. Von believes it was because she was jealous of the children's achievements.

In R.S.H.E. this week we observed a 2 minute silence and found out why we celebrate Remembrance Day.

We have enjoyed our work as scientists this week where we investigated gases. Ask the children to explain to you one of our investigations.

Happy Leaves this week went to:  
4H Rafael  
4R Saimon  
4L Mehr

## This weeks learning..

In our English lessons this week we are continuing our newspaper work. The children will learn how to be editors and edit their article ready to publish in the class newspaper on Friday.

We are continuing our Maths - No Problem! scheme and this week the children will be moving on to work on graphs, the children will be drawing and reading picture and bar graphs.

In science, the children will continue the topic called States of Matter and they will be learning how to use a thermometer and looking at what happen to different food when they are heated to different temperatures.

In Big Reading, we will be continuing to work on comprehension skills and we will be teaching the children how to quote directly from the book they are reading to answer questions.

The children will be taking part in a Now Press Play activity where we will be transported back to Victorian times and imagine we are part of a family that has been sent to the workhouse.

# Don't forget!

P.E. is on Tuesday.

Fit Friday is on Friday.

You need to come into school dressed in your P.E. kit.

## Over to you...Home learning

Children should continue with Times Tables Rockstars, Mathletics and Bug Club at home. On Google Classroom, you will find this week's spellings and Times Tables badge practice sheets. Also on Classroom, there is some written homework for the children to practise their handwriting and punctuation skills. The children can use the English book they have at home to do this work.
