## STAR moments

Last week we have been celebrating Inter Faith week by designing our Inter Faith mugs and discussing the different religions. We have also been taking part in Anti-bullying related activities by focusing on the rights that underpin how we treat others.

Our Happy Leaves this week are:

In 3P Haseeb has demonstrated resilience in his learning and is becoming an independent thinker - super!

In 3K, our happy leaf will be awarded to Elizaveta for always making the right choice's in class and working hard to improve her writing.

In 3T our happy leaf is awarded to Timur. Timur has been looking after a new arrival in 3T and has been helping him settle in!

## This weeks learning..

*This half term our topic is going to be focused on Media Mayhem.*

In Guided Reading we will be looking at the Iron Man. Our our journey starts with an unlikely setting and even more unlikely character... Who is he? How did he get here?

In English we will be learning about Howard Carter's great discovery and writing a newspaper report! What can you recall about Ancient Egypt?

In Maths we will be investigating our new topic: Length. We will be focusing on the lengths of objects, heights of people and the distance from one place to another. What do you already know about measuring lengths?

In Science we will begin to look at how shadows are formed from light. We will be discussing how shadows are formed and why some shadows seem darker than others.

In History we will be looking at the discovery of Tutankhamun's tomb, discussing why it was such a momentous discovery and even discuss the legend of the Pharaoh's curse!

In Computing we will continue to look at emails and how they are formatted in preparation for us to write an email on the discovery of Tutankhamun.
