

Week beginning

06/12/2021

Reception Newsletter

This week's learning...

This week in Reception we will continue to learn new sounds and consolidate the ones we have already learnt.

During maths, we will be using positional language to describe where something is in relation to something else. Some of the vocabulary that we will be using is: in, on, under, next to, behind, in front of, up and down.

We will also be starting our Christmas celebrations next week with lots of cooking and craft activities. Children will be learning to recognise that different people have different beliefs and they celebrate special events in different ways.

STAR moments

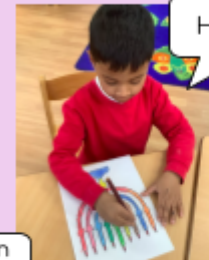

What have we been learning last week?

I'm so strong, I'm using my muscles!

I made a spinner toy. Can you see the colours mixing?

Hanukkah!

We're going to the Stratford International!

The lid is part of the pen. I made the pen whole again!

I made a BBQ! I'm cooking sausages.

Well done for everyone's amazing efforts with behaviour and attitudes towards learning. This week, our happy leaves go out to:

- RA: Azalea - For being a great friend and caring member of the class community!
- RB: Muntaha - For always coming to school ready to learn and for working very hard in her phonics lesson this week. Well done!
- RS: Wajeeh - For engaging in conversations with his teachers more confidently, sharing his interests and ideas! Well done, Wajeeh!

Don't forget!

- Please ensure your child brings their reading folder into school **every day**. This should contain: reading record, reading book/s, set 1 sound booklet/ word time. The reading book/s will be changed **once** a week.
- **Science in my kitchen** deadline to upload your experiment: **10th December**. Remember to use your child's email address to login on Google Drive.
- **Christmas concert** - Tuesday, 14th December
- **Christmas dinner & jumper day** - Wednesday, 15th December.

Over to you... Home learning

- Make a mini movie conducting a scientific investigation or experiment **in your kitchen** with a grown up. Upload your video to your folder on Google Drive. Check out the teacher videos for some inspiration! **Prizes will be announced at assembly on Monday 13th December!**

Pupils > Academic Year: 2021-22 > Science in my kitchen > Reception Pupil Videos >

You could experiment and investigate: crazy colourful bubbles, magic swirling sweets, leaf rubbings, wind chimes.
