# Reception Newsletter

## This week's learning...

This week in Reception we will continue to learn new sounds and consolidate the ones we have already learnt.

During maths, we will be consolidating all of our maths learning from this half term including patterns, counting and 2D shapes.

We will also be continuing our Christmas celebrations next week with lots of cooking and craft activities. Children will be learning to recognise that different people have different beliefs and they celebrate special events in different ways.

**Tuesday 14th** - Reception Christmas Concert - 1:15-2:15

**Wednesday 15th** - Christmas Dinner and Jumper Day

**Thursday 16th** - Reception Christmas Party

## STAR moments

What have we been learning last week?

I'm writing a letter to santa!

We're doing a science experiment!

I am making a stampoline for number 4. One on top, one in the middle and 2 at the bottom.

Fred the Frog is hiding on top of the cupboards!

The apple boat is floating, not sinking!

I am crawling through the tunnel!

Well done for everyone's amazing efforts with behaviour and attitudes towards learning this term. All the teachers are super proud of their achievements. Stars of the term:

RA: Astrid - for being a kind, considerate and caring member of our class. She is always doing the right thing and is a great role model to others. Well done Astrid!

RB: Inyla-Roe - for always being a fantastic role model for her peers and demonstrating the correct behaviour.

RS: Malachi - for his amazing progress during the Autumn term, for showing resilience and always trying his best!

# Don't forget!

- Please ensure your child brings their reading folder into school **every day**. This should contain: reading record, reading book/s, set 1 sound booklet/ word time. The reading book/s will be changed **once** a week.
