

# Week beginning

## 10/01/22

# Nursery Newsletter

## This week's learning...

Happy New Year and welcome back Nursery!

We hope you enjoyed your time with your families and had a relaxing holiday.

We have a very exciting topic for this term which is Earth Our Home. We will be looking at how we can look after our environment and cannot wait to start. Next week, the children will explore ice and the effect of it melting. We will also look at water colours using ice too.

## STAR moments...

Look what we have been up to:

"It's bouncy"  
Azzahra

"I am sticking it on"  
Emmie

"Car"  
Eshaal

The children were excited to explore with ice and finding different ways to break it apart.

## Over to you... Home learning

This term's topic is Earth Our Home.

You can use this topic as an opportunity to talk to your child about which apps are safe and appropriate for them to use.

## Keep in touch!

# Don't forget!

- Please remember to bring in your reading books every Monday so they can be changed over.
- **Nature Photography Competition:** There is currently a nature photography competition happening at Star! Can you capture an award winning photo of an animal or nature to celebrate Our Earth, Our Home topic? To enter, please upload your photo (with name and class) onto the pupil drive by 4th Feb.
- Provide spare clothes in your child's bag: socks, underwear, bottoms, tops.
