

Week beginning

10/01/2022

Reception Newsletter

This week's learning...

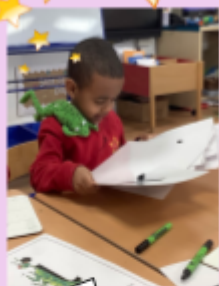

Welcome back Reception and Happy New Year! We hope you all had a lovely Christmas holiday and were able to celebrate with all your family and friends! This time of year is a great opportunity to set personal goals! Maybe you could set yourself a new year's resolution and try something new this year!

We are starting a new topic this term; The Earth our Home! This will be a really exciting opportunity to learn all about the world around us. We have super fun things planned and we can't wait to get started! Our first project which we will be focussing on is recycling!

STAR moments

What have we been learning last week?

I am the phonics teacher! This is the 'f' sound.

Castle!

Happy New Year!

My warm hands are melting the ice.

1, 2, 3, 4, 5! 5 dots!

Welcome to our recycling center! We collect compost, paper, bottles and plastic!

Well done for everyone's amazing efforts with behaviour and attitudes towards learning this term. All the teacher are super proud of their achievements. Stars of the term:

RA: Ruben - for coming back to school with a real positive and helpful attitude! Well done!
RB: Liban - for being a fantastic helper around the classroom and for always trying his best in everything he does! Well done.
RS: Cesar - for coming back to school with a positive attitude and ready for learning!

Don't forget!

- Please ensure your child brings their reading folder into school **every day**. This should contain: reading record, reading book/s, set 1 sound booklet/ word time. The reading book/s will be changed **once** a week.
- It is very important for your child's progress that you are reading with them everyday.
- Please remind children that personal items from home (toys, sweets) are not to be brought into school.

Nature Photography Competition

There is currently a nature photography competition happening at Star!
Can you capture an award winning photo of an animal or nature to celebrate Our Earth, Our Home topic? To enter, please upload your photo (with name and class) onto the pupil drive by 4th Feb.

Over to you... Home learning

- Practise **set 1 sounds** and **Word Time 2** every day.
- Please use the reading record provided to record each time you read with your child.
- Use the login details to login onto Bug Club and Mathletics to practise your reading/mathematical skills every day.
