

# Weekly Newsletter - 14/01/22

Dear Parents and Carers,  
We have now completed our first full week back of the new year. As we continue to struggle through covid sickness and absence, please remember to follow school guidance and report your child's absence using the systems we have in place. Either call the school office (0207 4765336), report the absence via parentmail or use the specific [covid@star.newham.sch.uk](mailto:covid@star.newham.sch.uk) inbox.

I would also like to appeal to parents to make every effort to get their children into school before 8am. Teachers begin lessons at 8am and it is very hard for those children who constantly miss the first 5 or 10 minutes of the lesson. It is also very disruptive to the class. Children can enter the playground and make their way to classes from 7:45, doors open at 7:50. Please help us to make sure that every pupil is super ready to start learning at 8am. As we are experiencing colder weather, please make sure that your child wears their red school jumper and has a warm enough coat for school.

Best wishes,  
Ms Von

### Article 7 – birth registration, name, nationality, care

Every child has the right to be registered at birth, to have a name and nationality, and, as far as possible, to know and be cared for by their parents.

### Article 8 – protection and preservation of Identity

Every child has the right to an identity. Governments must respect and protect that right, and prevent the child's name, nationality or family relationships from being changed unlawfully.

At Star we know our **RIGHTS**

## Uniform and Lost Property

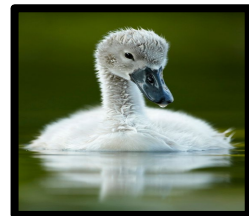

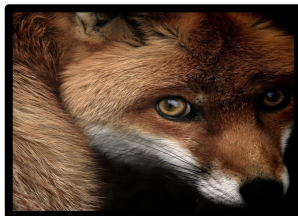

We currently have an excessive amount of lost property in school. Despite putting this out in the playground each Friday, items of clothing remain unclaimed. All items that are clearly labelled with the child's name and class will be returned to the child. However, we are now actioning the recycling of all items of clothing that have remained unclaimed from before Christmas. Going forward, we will only keep the items for a few weeks before we recycle them. **Please label all items clearly so that we can help return them to the correct pupil.** Please also work with us to teach your child to look after their property in school.

## NATURE PHOTOGRAPHY AWARD

CAN YOU CAPTURE AN AWARD WINNING PHOTO OF AN ANIMAL OR NATURE TO CELEBRATE OUR EARTH, OUR HOME?
