

Weekly Newsletter - 21/01/22

Dear Parents,

The week has certainly flown by here at school. I was so proud during this weeks assemblies to hear about all the children achieving happy leaves for demonstrating growth and coping skills. We have such excellent role models amongst our pupils. We have been working hard on following up all absence from school. Please only keep your child at home if they have covid symptoms or are very unwell. We are working really hard to close the gaps in your child's learning caused by the pandemic. We have seen an improvement in punctuality this week. Please continue to work with us to make sure your child is in class and ready to learn by 8am each morning. This really helps them to have a productive day at school. The final battle we are facing is unclaimed lost property. We do not have the capacity to keep so much unclaimed uniform on the premises. Please claim any lost property as soon as possible.

Have a lovely weekend

Best wishes

Ms Von

Parent conduct at Star!

Sadly, it is becoming more common for parents to behave in a way that is inappropriate towards staff and other adults on school premises. I do understand that we are all suffering from higher levels on anxiety at the moment - however it is completely unacceptable for any adult to shout at members of staff and use abusive language of any kind. As a rights respecting school we will work with all our parents to resolve all concerns, but we will not tolerate this type of behaviour. Please be aware that you may receive a warning letter which could then result in a ban from the school premises. **Please follow the example set by over 90% of our parents and behave in a respectful manner to staff at all times.** If we do not model respect and tolerance to our children then we cannot expect them to behave with respect and tolerance.

RIGHTS RESPECTING SCHOOLS

2
NO DISCRIMINATION

27th January marks the anniversary of the liberation of Auschwitz-Birkenau, the largest Nazi death camp. On this day, we remember the six million Jewish people who were killed during the Holocaust, alongside millions of other people who were killed under Nazi persecution and in genocides that followed in Cambodia, Rwanda, Bosnia and Darfur.

38
PROTECTION IN WAR

19
PROTECTION FROM VIOLENCE

Holocaust Memorial Day is for everyone. Each year, across the UK, thousands of people come together to learn more about the past and take action to create a safer future.

37
CHILDREN IN DETENTION

School vs Climate Change

Update:

Star pupils have entered a competition where schools compete against each other for the title of "Greenest School"!

Pupils earn goals by taking part in eco-friendly activities such as walking to school, building bug houses and switching off lights when not in use. So far we have earned 307 goals and are sitting 19th in the table!
