## This week's learning...

One week left before half term! This week in school we will be celebrating Internet Safety Day! The theme for this year is 'Exploring Respect and Relationships Online'.

### Safer Internet Day

We will continue learning about global warming and will carry on reading 'Dear Greenpeace'. We are going to make posters and guides to encourage others to help save our planet from climate change!

During phonics, we will continue to learn new sounds. In maths, we will be reviewing all of the wonderful things we have learnt this term. We're so impressed by your progress!

## STAR moments

What have we been learning last week?

The ice is melting, poor polar bears!

Breaking news! Emily found a whale in her pond!

So cold!

We learnt all about staying safe on the Internet!

I made a ruler, it has numbers all the way up to 20!

Look at my dragon!

Well done for everyone's amazing efforts with behaviour and attitudes towards learning this week. All the teachers are super proud of their achievements. This week the happy leaves go to:

RA: Alfie - for becoming more confident with his peers and all the adults in the classroom  
RB: Saffiyah - for always trying her best in her Maths lessons and for showing a 'can-do' attitude at all times. Well done!  
RS: Mayas - for becoming more confident with her peers and adults in the classroom.

# Don't forget!

- **Please ensure your child brings their reading folder into school every day.**
- **Login details** for Mathletics and Bug Club can be found in your child's reading record.
- Mathletics activities are assigned on a Monday and need to be completed by Sunday!
- Your child must wear their **PE kits** on Mondays and Fridays.
- **Maths Parents Workshop** - Thursday 24th February. A Parentmail will be sent out soon with more information.

### Online Safety Day - Tuesday 8th February.

On this day, **please wear something GREEN.** Your child only needs to wear one green item of clothing. We will be wearing green to show respect and highlight the importance of respecting each other online and offline.

## Over to you... Home learning

- Make sure to log on to Mathletics and complete the work assigned to you each week!
- Continue to improve your reading skills by logging onto Bug Club each day (sadly, very few children have been doing this).
- Please use the reading record provided to record each time you read with your child.
- Complete the homework in your reading folders by Friday!

Mathletics
