

Week beginning

21/02/2022

Reception Newsletter

This week's learning...

Welcome back, Reception! We hope you had a restful half term and are ready for lots of exciting learning!

This term's topic is Express Yourself and we will be exploring different ways of expressing our likes, interests and talents.

We will be learning about a famous painter, Mark Rothko and his work, whilst developing our artistic skills and use of primary colours.

We will be inventing, adapting and recounting narratives and stories with our friends and teachers during the Helicopter story sessions.

Don't forget!

- **Please ensure your child brings their reading folder into school every day.**
- **Login details** for Mathletics and Bug Club can be found in your child's reading record.
- Mathletics activities are assigned on a Monday and need to be completed by Sunday!
- Your child must wear their **PE kits** on Mondays and Fridays.
- **Maths Workshop for Parents** - Thursday 24th February.
- **Reception's TRIP to Paradise Wildlife** - Thursday 10th March.
- **£5 contribution** towards the costs for the trip must be paid via ParentMail.

Over to you... Home learning

- Make sure to log on to Mathletics and complete the work assigned to you each week!
- Continue to improve your reading skills by logging onto Bug Club each day (sadly, very few children have been doing this).
- Please use the reading record provided to record each time you read with your child.
- Complete the homework in your reading folders by Friday!

STAR moments

What have we been learning last week?

We wore green on Safer Internet day.

Now there are 2 parts of the orange!

I am learning to make 5. 2 is part of 5 and 3 is part of 5. Together they make 5!

Look I can ride with no hands!

We love finger painting!

I am making my own number sentence using cubes!

Well done for everyone's amazing efforts with behaviour and attitudes towards learning last term. All the teachers are super proud of their achievements. Talk to your child about the type of things they need to do to receive a Happy leaf. Our theme is Happiness this term!

Maths Workshops for Parents

Come and find out about our maths curriculum and get practical tips and advice on how you can support your child at home.

Date: Thursday 24th of February 2022

Timings: Nursery and Reception - 08:10 - 08:40

The Zoom link has been sent via ParentMail.
