

Week beginning

21.02.2022

Year 5 Newsletter

STAR moments

This week's happy leaves go to:

5R: Eldi, for achievement and success. Eldi has shown an improved effort to achieve in his Maths learning. He has been able to apply his prior knowledge to be successful.

5T: Tianna, who has consistently worked hard throughout her Year 5 learning journey to successfully achieve high outcomes throughout her learning.

5P: Shakira, for always putting in 100% effort in every task she attempts and always works to the best of her abilities to achieve her best. She is a fantastic role model. Well done Shakira!

School starts at 7:50am each morning and finishes at 2pm each day. Don't forget to wear your school uniform.

Our new topic is...Express Yourself!

As mathematicians, we will begin our exploration of fractions. This week we will be focusing on dividing fractions and writing improper fractions and mixed numbers.

In English, we will start to explore our exciting new topic: Express Yourself! We will be exploring the ways in which we can express ourselves through storytelling and poetry!

As readers, we will be continuing our book, 'Kick'; the story will be taking a new interesting turn, where Budi will enter the dragons house accidentally.

In RE, we will be exploring the Islamic faith and finding out about the 'Night of Power' and its importance to Muslims.

As scientists next half term we will be looking at the properties of materials and how we can change them! We will begin to compare materials by their properties, such as if they're magnetic, their hardness, the transparency and their conductivity.

In RSHE, we will be learning all about what success is. What do we define as an achievement and how can we celebrate them?

As geographers, we will be researching a rivers key features and and discovering how the water cycle has an impact on river.

In Computing we will be looking at our online image and how we present ourselves online.

In Art we will be starting to look at world famous artist Vincent Van Gogh and his work in Post-Impressionism. Why not research him over the half term? You could find a new favourite painting!

Maths Workshops for Parents

Come and find out about our maths curriculum and get practical tips and advice on how you can support your child at home.

MATHS
NO PROBLEM!

Date: Thursday 24th of February 2022

Timings: EYFS - 08:10 - 08:40

KS1 (Years 1-2) - 09:00 - 09:30

KS2 (Years 3-6) - 09:45 - 10:15

Don't forget!

Remember swimming is every Friday this term!

You must bring a swimming cap, appropriate swimwear (no bikinis or long shorts), a towel and a plastic bag for wet items. Swimming lessons are a part of the Nation Curriculum and all children must attend as it is a statutory requirement. Please speak to the class teacher if you need any support.

You still need to wear your Fit Friday kit on Friday.

Over to you...Home learning

Don't forget to log on to Mathletics and complete the work assigned to you each day!

Continue to improve your reading skills by logging onto Bug Club each day. Remember to share a chapter from your favourite book with someone at home too.

Strive to achieve your bronze, silver or gold awards on Times Tables Rockstars too.

Keep in touch!
