

# Week beginning

31/01/2022

# Reception Newsletter

## This week's learning...

We have an exciting week ahead of us. We will continue learning about global warming and will start reading 'Dear Greenpeace'. We will then write our very own letters to Greenpeace!

During phonics, we will continue to learn new sounds and consolidate the ones we have already learnt, while in maths, we will be comparing quantities and counting on and back to find 1 more and 1 fewer.

We will be learning all about the news and will be using iPads to make our very own news broadcasts about global warming!

## STAR moments

What have we been learning last week?

My best friend!

We are playing dragons' school. We built a dragon and it is learning to fly and breath fire.

We're celebrating Chinese New Year!

I am drawing a story about my ladybird. Once upon a time she was hungry and ate 7 flowers.

I made 7 in 3 ways!

I made a photo frame from wood and nails!

Well done for everyone's amazing efforts with behaviour and attitudes towards learning this week. All the teachers are super proud of their achievements. This week the happy leaves go to:

- RA: Ajan - for having a very mature attitude and always being ready and willing to help out his peers and teachers when needed!
- RB: Temesgen - for always giving 100% effort in his Maths lessons and for applying the skills he has learned to his play.
- RS: Ajibade - for actively cooperating with adults to support his independence.

# Don't forget!

- Please ensure your child brings their reading folder into school every day.** The reading book/s will be changed **once** a week.
- Your **login details** for Mathletics and Bug Club can be found on the front page of your child's reading record.
- Mathletics activities are assigned on a Monday and need to be completed by Sunday! Collect as close as possible to the maximum points, and you can earn a **bronze**, silver or **gold** certificate.
- Your child must wear their **PE kits** on Mondays and Fridays.

### Nature Photography Competition

Can you capture an award winning photo of an animal or nature to celebrate Our Earth, Our Home topic? To enter, upload your photo (with name and class) onto the pupil drive by 4th Feb.

## Over to you... Home learning

- Make sure to log on to Mathletics and complete the work assigned to you each week!
- Continue to improve your reading skills by logging onto Bug Club each day.
- Please use the reading record provided to record each time you read with your child.
- Complete the homework in your reading folders by Friday!

Mathletics
