

Weekly Newsletter - 4/03/22

Dear Parents,
What a wonderful week all about books! After two years, world book day was back! It was so lovely to see all the children dressed up as characters from their favourite books. Well done to everyone and especially to our parents who supported the day. We continue to encourage our parents and children to grow their love of reading, exploring books every day! Some of our children were fortunate enough to go to Stratford Library where they met an author and an illustrator, they were blown away and all have new books to read.

Children have been read to by all adults in the school, alongside class competitions:

The winners of the *Book Cafe* are
1V, 2P, 3H, 4R, 5R, 6S.

Children were rewarded with drinks, treats, decorations and more books!

Best wishes
Ms Von

World Book Day

Peace in the World

War and conflict are incredibly difficult subjects for people of any age. Working with pupils to try and untangle complicated thoughts and feelings is not easy. However, safe spaces in which to gently explore distressing world events can provide huge reassurance to children and prompt them to share their thoughts. We remind pupils that school is safe space to share worries and concerns. **Articles 38**, war and armed conflicts, and **Article 39**, recovery from trauma and integration are being considered carefully in school.

Survey

At Star we love that we are ambitious and innovative. Please check you parentmail for a survey regarding the school day. We would very much like to continue with the current timings and are writing to you to explain our reasons for this. All completed surveys will be entered into a prize draw for **£50 shopping voucher.**
