STAR moments

WORLD BOOK DAY -

WOW! It was great seeing so many children taking part in our World Book Day celebration. We spent quite a while in year 4 trying to work out who was the real Mad Hatter or Belle and who was the impostor! Thank you for making such a great effort.

Our happy leaf recipients for achievement and success are:

4H: Anaya

4R: Lena

4L:

This week's online learning:

This week as musicians the children will continue with our Festival of Voices journey. The next couple of rehearsals will be here at Star but keep a lookout for our parentmail letting you know when we will be practising at other local schools. As we continue our new topic, Express Yourself, we have lots of new learning to look forward to. As writers the children will be creating their own African story. They will plan their characters, setting, the dilemma and the resolution over the course of the week. As mathematicians we will continue our work on decimals and in particular learning about hundredths. We will carry on with our learning about Africa in geography and in particular looking at the similarities and differences between Kenya and the U.K. As scientists the children will look for patterns between the pitch of a sound and features of the object that produced it. As artists we will be investigating the life and work of Frida Kahlo. We will begin with self portraits and use watercolours to add colour to our artwork. In R.E. this week we will compare how Christians celebrate the Last Supper. By the end of the lesson children will be able to explain the reasons for the differences between different churches in how they celebrate the last supper today.

Don't forget!

The children will continue to participate in P.E. and music on Tuesday mornings and all children will be expected to attend school in their P.E. kit which they will wear for the whole day. Fit Friday will also continue and again children are expected in school wearing their Fit Friday t-shirts.

Over to you...Home learning

Please remember to carry on with Mathletics, Times Tables RockStars and Bug Club and to work on spellings that are sent home each week. The children have been bringing reading books home for a few weeks now so please try to read with your children at least 3 times a week. Have a relaxing break and try to enjoy the spring weather by going outdoors as much as you can.

Keep in touch!
