

Week beginning

07.03.2022

Year 5 Newsletter

STAR moments

This week's happy leaves go to:

5R: Zach, for being a helpful talk partner and coaching his partner whilst comparing and ordering fractions in Maths. Fantastic teamwork - Keep it up!

5T: Fatmah, for bringing a good sense of humour to her learning and pushing herself harder in her work to achieve a pen license.

5P: Leornis, for being resilient and working hard to solve fraction problems. He always tries his best to overcome any challenges he faces in Maths in order to achieve and be successful. Keep it up!

School starts at 7:50am each morning and finishes at 2pm each day.
Don't forget to wear your school uniform.

Important Information

There have been a few incidents where children have brought in money to school to spend at the shop after school and that money has been lost. We advise that children bring in a fruit snack instead from home that they can eat during their break time or after school to avoid any further incidents.

Our topic is...Express Yourself!

As mathematicians, we will be continuing our learning on fractions. This week we will order and compare fractions and end the week with journaling.

As writers, we will continue to explore Roz the robot from 'The Wild Robot' and take the role of an author to write a narrative using descriptive devices similar to the story we are reading.

As readers, we will be digging into the past and exploring the history of Art and how it was created in the past.

In Computing, we will be looking at case studies involving online identity. We will look at cases where people have modified their profile to be someone else and the dangers that presents. We will learn how to report this and what we can do to recognise it in the future.

In RE, we will be exploring investigate how muslims follow Muhammad's actions today.

As scientists, we will be investigating how to separate mixtures using a range of different methods.

In RSHE, we will be learning about what achievement and success is and what steps we can take to become successful.

As geographers, we will be identifying the key geographical features found on the British coast line.

As artists, we will be exploring and developing a range of painting techniques with a focus on a post impressionists.

Don't forget!

Remember swimming is every Friday this term!

You must bring a swimming cap, appropriate swimwear (no bikinis or long shorts), a towel and a plastic bag for wet items. Swimming lessons are a part of the Nation Curriculum and all children must attend as it is a statutory requirement. Please speak to the class teacher if you need any support.

You still need to wear your Fit Friday kit on Friday.

Over to you...Home learning

Don't forget to log on to Mathletics and complete the work assigned to you each day!

Continue to improve your reading skills by logging onto Bug Club each day. Remember to share a chapter from your favourite book with someone at home too.

Strive to achieve your bronze, silver or gold awards on Times Tables Rockstars too.

Keep in touch!
