

# Week beginning

## 07.03.2022

# Year 6 Newsletter

## STAR moments

This week's Happy Leaves are awarded to:

**6E: Zaidan** for being such a wonderfully positive and outgoing member of our class. He works well collaboratively with his peers and he brings energy and enthusiasm to all that he does. Well done Zaidan!

**6R: Jayden** for his deep engagement during our RE lesson where he compared two different paintings of Jesus and was able to identify the key religious event that they portrayed. He also shared examples of how Christianity is important in his family and respectfully listened to others when they shared examples of their beliefs.

**6S: Jay** for being such a positive role model to the class. He is very kind, calm and thoughtful member of 6S! Jay always confidently shares his ideas, in addition to this, he demonstrates the ability to listen others and offer his support wherever they may need it.

**P.E is on Thursdays** so please come to school dressed in your P.E. kit with black trainers.

### Rights Article 13: Freedom of Expression

**Every child must be free to express their thoughts and opinions and to access all kinds of information, as long as it is within the law.**

## This week's learning...

We will be having **Mock SATs tests in Grammar, Spellings, Reading and Maths** from **Monday 7th - Friday 11th March**. Please support your child to do some revision so that they feel confident and motivated in taking the tests. Please also encourage early bedtimes and healthy breakfasts to boost the children's memory and concentration.

**As geographers:** We will be comparing the different land use patterns of Canning Town and the Lake District.

**RSHE:** We will be finding out what it feels like to have accomplished an achievement.

### Art Week

- ★ We will be using different brush stroke techniques and learning about the relationships between colours before painting our self-portraits for the Portrait Pupil Prize competition.
- ★ We will carry out research on our focus artist David Hockney by exploring landscape art.
- ★ We will investigate how to create a background of a sky using watercolour bleeds.
- ★ We will plan our own piece of landscape art which will incorporate all the techniques that we have developed over the last few lessons.

All pupils should arrive at school at 7:30am each day next week to enjoy a light breakfast in their classrooms with their class teachers before the Mock SATs tests.

The Mock SATs begin at 8am each morning therefore your child must be on time each day.

These practice tests will help all pupils understand what the real tests (9-13th May) will feel like.

## Over to you...Homework

Homework is given out on Fridays and needs to be completed and brought back to school for marking on the following Friday.

### Reading: Non-Fiction

'Inside the World of Jam.'

Text: p22-25

Questions: p26 & 27

### Maths

SATs Question Book

Drawing 2D Shapes p70

Properties of Shapes p71

Continue your online learning on Mathletics, Times Table Rockstars, Bug Club and Oxford Owl.
