

Weekly Newsletter - 25/03/22

Dear Parents and Carers,

It has been another SUPER week here at school. There is so much going on and it really is noticeable how much progress children are making in their learning. They have been speaking to many adults about their learning and we are very proud of how well they are beginning to remember their previous learning. A massive thank you to all those parents who supported the cake sale. In these difficult times it is much appreciated. This week we have two religious visits to places of worship as part of our RE curriculum. Year 6 will also be visiting the theatre today to see a performance of Marven's Binoculars.

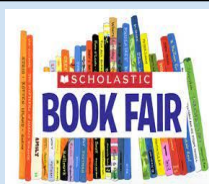

We understand at the moment things are very challenging for families financially. Please come and speak to Mrs Clarke to see if we can assist you in way. You can still support us by making sure that all pupils look neat and smart for school. We want them to feel proud and ready to learn every day. Covid cases are up slightly this week, so please continue to be as safe as possible. Have a lovely weekend.

Best wishes
Ms Von

Book Fair

Come and add to your home library and visit our annual book fair! Open from 2pm-2.45pm on the bottom floor. Please bring change to purchase one of the exciting best sellers!

Filming

Don't forget, we have a film crew onsite for the day on **Tuesday 29th March**.

Make sure your child is wearing the correct school / PE uniform - no jewellery and long hair is tied back.

Please be off site by 8:10am on that day and contact the office staff via phone and email so the site is empty for filming. Please collect your child and leave the premises by 2:15pm as drone footage will be filmed.

Clubs will happen as normal.

Article 5 says that governments must respect the rights and responsibilities of parents and carers to provide guidance and direction to their child as they grow up. **Article 18** states that parents share responsibility for bringing up their child and should always consider what is best for the child. It also talks about government support for children and parents.

Year 5 Mosque Visit

Year 5 pupils had the amazing opportunity to visit the London Central Mosque this week, where they learnt all about the features of a Mosque and the 5 Pillars of Islam. They visited the main prayer hall and discussed how it is used and explored why it is decorated the way it is. The guide was really impressed with the knowledge that Star pupils were able to share during their visit and how respectful they were throughout the tour!

Cake Sale

We are really pleased to inform you that we raised a staggering total of **£600.12** in our cake sale! Thank you to everyone in the school community for your generous donations and for joining together to make a difference for the Charterhouse charity. We are looking forward to presenting them with a cheque next week.

It took us less than a week to organise the cake sale and we raised such a huge amount of money. This really shows that you can do anything that you put your mind to Pupil Leaders Aarjav 6R & Jay 6S.
