

Week beginning

28/02/22

Year 2 Newsletter

Importance Notice: This term Year 2 will be visiting Mudchute Farm to correspond to our Science topic of Animals Including Humans. We would like to ask if any parents could volunteer to help with the trip. It will commence during school hours and will take place on 15th March (Class 2S) and 18th March (Class 2V & 2P). Please speak to the class teacher or contact the office.

Star Moments

This week our happy leaves go to:

2S: Aleena you are such a joyful and happy young girl. You come in with a beautiful smile every morning and your happiness and laugh is infectious, making all of us in 2S just as happy as you are!

2V: Ismoil you always come to school with a positive attitude and you are consistently ready to contribute and take part during lessons. You always have a go and meet new challenges with a smile. Well done!

2P: Theo, you come into school with a lovely positive mindset and with such a lovely smile every single day! You're a lovely and considerate friend to all your peers. You also put a smile on your adults faces simply because you're so respectful and calm, well done and keep it up!

Congratulations to the children who were the happy leaves this week! We are very proud of your resilience and dedication to your education!

Our learning..

Next week is assessment week for Year 2 and we will be using our maths and english skills to complete short assessments. The results of these assessments will allow the teachers to see where more help and support is needed.

We are also welcoming Laughology into Year 2 with a series of workshops promoting the importance of positive thinking using FLIP strategies.

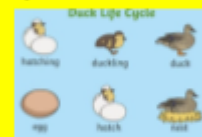

English: We will be completing a reading comprehension paper as well as spelling and grammar tests.

Maths: We will be doing maths assessments covering all the topics we have learned about in Year 2 so far.

Science: This term's topic is 'Animals including Humans' and we will begin by studying the life cycle of various animals.

RSHE: This week, the children will be learning about resilience by asking the question: why is it important not to give up?

Computing: As digital learners we are looking at self image and identity. We will be learning how to stay safe online and be aware of how we can sometimes behave differently online as opposed to offline.

P.E and Music will be scheduled for Tuesday afternoon each week as normal so remember to come dressed in your PE kit. Please continue to encourage your child to complete their tasks on our online learning platforms including Mathletics, Bug Club and Times Table Rockstars.

Don't forget!

Children will be given weekly spellings to practise for 5 minutes each night. They will be tested on Friday and scores will be placed in their reading records. We politely ask children to also complete the 'Question of the Week' which needs to be handed in to their teachers on Friday. Please continue to encourage your child to complete their tasks on our online learning platforms including Mathletics, Bug Club and Times Table Rockstars.

P.E is on Tuesdays - please wear your PE kit to school. Fit Friday is every Friday.

Home learning

Please remember to read every day with your child, this should be kept record of in their Reading Record Books. Children will be sent home with books and will be asked to keep them in their book bags which they can now bring to school daily. Children will also be given weekly spellings and their 'Question of the Week' which needs to be completed by Friday!

By the end of all Year 2 children need to know your 2,5 and 10 times tables by heart. So, please log in to Mathletics and TTRS to help you secure a Bronze Badge before the end of this academic year!

Our fun Online Spelling platform can also be used to build on our spelling strategies. <https://www.oxfordowl.co.uk/> Read all your books at home? No problem! Don't forget about the E books and E Audio books!
