

## Weekly Newsletter - 25/02/22

Dear Parents,

It has been a very busy first week of the Spring 2 half term here at Star! We have gotten straight into our **Happiness** rights focus! Please send in those postcards demonstrating how your child is showing and promoting happiness outside of school.

Our Year 1's have enjoyed their local visit to the Sikh Temple this week and it was wonderful to hear all their comments about what they had learnt.

Next Tuesday we will be having a visit from our school improvement advisor and she will be speaking to children about their English and Maths learning.

We are very sad to be saying goodbye to Ms Power today. She leaves us to go off travelling and to work overseas. We wish her an amazing adventure and thank her very much for all that she has done for the children at Star.

Next week is storytelling week and one of our favourite days next **Thursday** is **World Book Day**. Please remember to send your child to school dressed as their favourite book character.

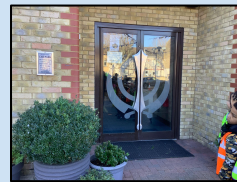

Best wishes

Ms Von

### Year 1 Visit

As theologians, year 1 pupils visited a Gurudwara in Forest Gate as part of the Religious Education curriculum. This was our first visit out of school and we travelled by bus. All the children thoroughly enjoyed learning more about Sikhism and the features inside a Sikh temple. The children were very respectful when they entered and listened well.

*Every child has the right to celebrate their own language, culture and religion. (Article 30)*

### Magic Breakfast

Magic breakfast offers nutritious breakfast to up to 200,000 children across the UK and by taking part in the Great Big Breakfast, we can help put a spotlight on the issue of child morning hunger and get closer to ending it now and for good.

This morning we held our Great Big Breakfast event to help celebrate our favourite meal of the day in support of Magic Breakfast.

The Children enjoyed delicious bagels, waffles, fruits, pancakes and cereals. We even had a special breakfast quiz!

It was a joy to see children sitting together and eating breakfast.

What a great start to the day.

### Twosday - 22/2/22

To celebrate the very unique day we set our pupils the challenge of creating a piece of work all about the number 2. The results were outstanding with hats, pictures and even stories and poems! The creativity of our pupils never ceases to amaze!
