

Week beginning

19/04/22

Year 3

Newsletter

This weeks learning..

Welcome to Summer 1! This half term our topic is going to be focused on Global Treasures

In Shared Reading plays are our focus and we will be reading the book Macbeth - An exciting book of betrayal and adventure, we will be looking at the themes of this story.

-In English we are going to be analysing the works of William Shakespeare. We will be reading the play of Macbeth and using it to develop our own playwriting skills.

In Maths we will focus on fractions this term. This week we will be revisiting our prior learning on fractions as well as recognising the different forms of fractions and how we can make them - lots of practical work!

-In Computing we will be learning about how to stay safe online and developing our very own fact file.

-In Science our new topic is Rocks and their properties. We will be exploring the different types of rocks and what makes them unique. We will start off by identifying and sorting different rocks by their properties.

-In History we will be learning all about how Britain has changed through the ages focusing on the stone age! We will see how prehistoric life was different for the tribes of Britain and how they shaped the modern day.

-In RE we will be learning about Sikhism and the symbols of that religion.

-In Design & Technology we will be preparing to create our very own Iron Age boat, hopefully we will be able to improve and test our designs throughout the term!

The Head teacher Golden Table

Star is launching a new reward! A child from each class will be selected to have a special lunch with our head teacher, Ms Von on a Friday.

These children will display positive attitudes to learning in their lessons and in their independent work. They will also make an excellent effort in their handwriting and presentation in their independent work. Who will be the next children for the Golden Lunch? We can't wait to see everyone make a super effort.

Don't forget!

At Star we want our children to take pride in their appearance and presentation. Star children must proudly wear their Star uniform to school every day. Long hair must always be neatly tied back. Children must not wear jewellery to school. Trainers can be worn on Wednesday for PE and Friday for FIT Friday. A polite reminder to please ensure your child comes to school in the correct uniform (black trousers or skirt, white polo and a red Star jumper and black school shoes) Children must present well each morning.

Please read as often as you can at home, at least **3 times a week** and remember to **bring in your reading pack everyday to change your book** and receive your weekly spellings.

HOME LEARNING PROJECTS DUE IN FOR THIS FRIDAY 22ND APRIL

Over to you...Home learning

Don't forget to log on to Mathletics and complete the work assigned to you each day!

Continue to improve your reading skills by logging onto Bug Club each day. Remember to share a chapter from your favourite book with someone at home too.

Strive to achieve your bronze, silver or gold awards on Times Tables Rockstars too.

As well as this, we have a new way for you to access your spellings at home!

Go to <https://www.oxfordowl.co.uk/> and 'class login'.

You can log on using these details:
