

# Week beginning

18.04.2022

# Year 5 Newsletter

## STAR moments

This week's happy leaves go to:

**5R: Saifan**, for showing enthusiasm and teamwork whilst performing his poem. Saifain ensured he used his oracy and performance skills to recite his self-identity poem.

**5T: Radost**, for overcoming her worries and building up her confidence in herself to deliver a great poetry performance in her computing lesson.

**5P: Adele**, for showing support when creating her digital anthology. She supported her partner and others during our computing lesson so they were also able to be successful in achieving their computing outcome. Well done for sharing your knowledge with others!

## Our new topic is...Global Treasures!

This half term we are moving on to our Global Treasures unit, where we explore all the treasures of the world - in year 5 we will be focusing on Shakespeare and The Vikings over this half term!

As mathematicians, we will finish our unit on fractions and use our multiplication skills to multiply fractions. We will then move onto our unit on decimals.

As writers we will be exploring the world of role-play, drama and playscripts. Across the school each year group will be focusing on a play written by William Shakespeare. In year 5 we will be focusing on the story of Antony and Cleopatra. This week we will be exploring the features of a playscript and how they are written.

In R.E. we are going to begin our exploration on what other religions believe about God and compare the similarities and difference between each religions beliefs.

As scientists, we will be investigating what life cycles are, how they differ from creature to creature and find out why life cycles are different for everyone.

In RHSE, we will be focusing on self confidence! We will be exploring what self confidence is, how does it help us in our daily life and what we can do to become more self confident.

As historians, we will be exploring the wild past of the Anglo Saxons and the Vikings! We will be finding out; who were they? Where did they come from? What was their lifestyle life? What impact did they have on the world we live in today?

In computing we will be exploring online reputation and the impact that it had on us and the people around us.

## Don't forget!

PE is on Wednesday so you need to come into school dressed in your P.E. kit with black trainers!

Fit Friday is on Friday so you need to come into school dressed in your Fit Friday kit with black trainers!

**School starts at 7:50am each morning and finishes at 2pm each day.**

**Don't forget to wear your school uniform.**

## Over to you...Home learning

Don't forget to log on to Mathletics and complete the work assigned to you each day!

Continue to improve your reading skills by logging onto Bug Club each day. Remember to share a chapter from your favourite book with someone at home too.

Strive to achieve your bronze, silver or gold awards on Times Tables Rockstars too.
