## STAR moments

### Golden Lunch

This week's Golden Lunch pupils are:

Mohammed 6R, Millie 6S, Albert 6E

This week's Happy Leaves are awarded to:

**6E: Charlie** for being such an inspiring member of our class! He loves to learn and he participates in class discussions with enthusiasm. Charlie communicates his ideas clearly and thoughtfully too. Well done!

**6R: Shakayla** for settling in really well into 6R. She has built some positive relationships with her peers and always makes an effort to concentrate and understands the tasks she is required to do. Well done Shakayla.

**6S: Alessia** for showing greater levels of maturity this term. Alessia is a fantastic role model to her peers and an extremely conscientious student. She is more than ready for secondary school!

**P.E is on Thursdays** so please come to school dressed in your P.E. kit with black trainers.

**Rights Article 31: (Leisure, play and culture)** Every child has the right to relax, play and take part in a wide range of cultural activities.

## Welcome back to the summer term...

This week we begin preparing for our SATs tests which will take place from Monday 9th May until Thursday 12th May. We will focus on consolidating our knowledge and understanding of Reading, Maths and Spellings, Grammar and Punctuation (SPaG.)

**Reading:** As readers, we will focus on improving our reading stamina using our core shared reading texts: Romeo and Juliet as well as Mayan civilisations. We will practise answering 1, 2 and 3 mark questions using our reading skills: skimming, scanning, fluency, inferring and deducing.

**SPaG:** We will consolidate our knowledge and understanding of the spelling, grammar and punctuation strands of the English National Curriculum.

**Maths:** We will improve our arithmetic and reasoning skills across all Maths concepts.

Help me do well with my revision:

### English Revision

<http://www.educationquizzes.com/ks2/english/>

### Maths Revision

<https://www.mathsisfun.com> (good for revising formal methods of calculation, including fractions)

<https://www.sumdog.com/>

<http://www.math-aids.com> (create your own worksheets for any topic)

<http://www.bbc.co.uk/education/subjects/z826n39>

<http://www.educationquizzes.com/ks2/maths/>

<https://uk.ixl.com/math/year-6>

### School Closures

On Monday 2nd May and Thursday 5th May school will be closed to all pupils. This is because of the May Bank Holiday and Polling Day.

## Over to you...Homework

Go on the SATs Companion website to revise and practice SATs style questions in maths, reading, grammar and spellings. You can watch videos to support your understanding and click on the 'Assist' tab to get further explanations and examples.
